BERLIN REPORTS THEY LOST TWO DIVISIONS

Rumania, According to Berlin, Has Suffered Heavy Losses to Her Armies Sent to Invade Bulgaria—The Second Army Failed to Connect With the First and Was Forced to Retreat Which Became a Precipitate Flight—French and British Gained Some Ground on Western Front—Berlin Reports Seventy-four Enemy Aeroplanes Shot Down During September—The Allies Have Recognized the Provisional Government Set Up in Crete.

Berlin, Oct. 16.—"The Rumanian second army is in retreat in Transylvania and has lost approximately two divisions," say the Overseas News. The Rumanian first army and the larger part of the second army were virtually annihilated when a successful attack was made on the first army at Dermannstadt by the Austro-Germans. Rumania planned to send the second army to the assistance of the first, but the second army advanced too far west and was forced to retreat in haste and its retreat became a panicky flight.

War Summary.

London, Oct. 15.—Continuing the advance on the Somme front last night, the French penetrated the German positions at Saillly-Saillisel, the Paris war office announced today. They occupied houses on the edge of the road to Bepaume. The Germans made a violent counter attack and the fighting is still in progress.

The London statement today announces that the Germans made a heavy attack last night on the newly won British positions in the vicinity of Scweben, on the Somme front, and were repulsed with heavy losses, according to the official statement.

The British troops yesterday attacked the German positions north-east of Guedecourt, three miles south of Bepaume, and penetrated the German first line, but the ground was recaptured after a counter attack, says the German official statement.

The British forces on the Struma front in Macedonia are active on the left flank of the line and have pushed their posts further northeast in the direction of Demirhisar, says the British statement issued from Saloniki.

Many Aeroplanes Destroyed.

Berlin, Oct. 16.—Seventy-four aeroplanes, of which twenty-one were French and fifty-three British, were shot down by the Germans during September, according to the exact list compiled by German military authorities.

TWO NEGROES ARE LYNCHED BY MOB

One for Attacking White Woman and the Other for Voicing Approval of Former's Action.

(By Associated Press.)
Paducah, Ky., Oct. 16.—Two negroes were lynched by a mob here today and their bodies burned. One was charged with attacking a white woman and the other was accused of voicing approval of the action of the other negro. The negroes were taken from the jail by a mob of citizens, who overpowered the jail guards and hanged the negroes near the home of the woman attacked.

BRYAN SCHOOLS GET STATE ASSISTANCE

Superintendent Notified of \$500 Appropriated for Domestic Economy, \$750 for Manual Training.
Superintendent William C. Lawson of the Bryan city schools has been notified by State Superintendent W. F. Doughty that the state board of education has granted aid to the amount of \$500 for the department of domestic economy and \$750 for the department of manual training of the Bryan High School, a total of \$1,250 this year from the special state appropriation for such purposes.

This money comes from a special fund set apart by law for use in such schools as the state board of education may designate and it is quite a compliment to the Bryan schools and the Bryan school officials that the management was such as to merit a share which is granted only to such school systems as measure up to prescribed standards of efficiency.

It will be remembered that Bryan received a former appropriation of \$750 from this fund, thus making a total of \$2,000 secured by the schools under the management of Superintendent W. C. Lawson, in addition to all the regular school funds.

It means much to Bryan that the schools are under such management as has won recognition at home and abroad, such supervision as incorporates the latest and best ideas in the work, and such standards and plans as bring to Bryan \$2,000 to be used in these new departments.

ANOTHER CIRCUS COMING TO BRYAN

Advance Agent for Sells-Floto Shows Visits City and Announces Date Here for Nov. 7th.

Another three weeks of good behavior on the part of the "kiddies" of the city is now assured. There is another circus coming to Bryan. Mr. A. P. Betts, advance agent for the Sells-Floto shows, was in the city today and made the announcement that this show will be in Bryan on Tuesday, November 7th.

The Sells-Floto show this season is much larger than it has ever been; in fact, it is now classed with the largest shows. As special attractions this show carries the world's champion heavyweight pugilist, Jess Willard, and the great wrestler, Frank Gotch. It is at an enormous expense that the Sells-Floto people carry these extra attractions with them and they will no doubt prove great drawing cards in this city.

CARRANZA TROOPS DESERTED TO DIAZ

Ten Thousand Constitutionalist Troops Went Over to Enemy—Were Troops of Robles and Castro.

Laredo, Texas, Oct. 16.—Ten thousand constitutionalist troops were defeated at Tehuacan Friday, October 6, and joined the Felix Diaz movement, according to seemingly reliable information reaching the border Sunday. This information says that a column of 5,000 troops under command of General Jose Ysabel Robles, sent against the revolutionists, declared themselves with their leader for Diaz, while another column of equal strength, commanded by General Cesario Castro, likewise deserted the constitutionalists.

General Castro, who is governor of the state of Puebla, is said to have escaped in an automobile with his general staff, remaining true to Carranza.

Republican Candidate Declares That Wilson Administration Ignored Agricultural Interests.

(By Associated Press.)
Hastings, Neb., Oct. 16.—Charles H. Hughes, today told a crowd of farmers here that the Democratic administration ignored the agricultural interests of the country in urging the enactment of the Adamson law. The nominee in support of his contention cited a telegram from President Henry N. Pope, president of the Texas Farmers Union to President Wilson requesting that the farmers be permitted to submit data in arbitration proceedings between the railroads and Brotherhoods.
